Neonatal Certification Review

SouthPoint Hotel & Casino, Las Vegas, Nevada

May 7 & 8, 2018

This course has been designed for nurses desiring to take and successfully pass either the RNC-NIC certification offered by the National Certification Corporation or the Neonatal CCRN offered by the American Association of Critical Care Nurses. This course covers both basic and advanced concepts of pathophysiology and the management of disease processes. Attendee syllabus includes test-taking strategies, study tips, and systems review.

Who Should Attend?

- Nurses who plan to take either the RNC-NIC or Neonatal CCRN exam.
- Nurses working in a Level I-IV neonatal intensive care or special care nursery
- Nurses who want an intensive review of neonatal nursing

Improve Your Patient Care!

Increase Self-Confidence!

Advance your Knowledge!

Refine Your Skills!

Grow Professionally!

Course Objectives

- To prepare the participants to take and successfully complete either the RNC-NIC or Neonatal CCRN exam
- Participants will utilize critical thinking to integrate knowledge, skills and abilities to enhance practice in the neonatal intensive care environment
- Participants will be able to summarize appropriate nursing interventions and management of common disease processes seen in the neonatal care environment

Based on the Current RNC-NIC & Neonatal CCRN Test Outlines
